

Face to Faith

1 November 2012

Can you believe it? Our global school's programme, [Face to Faith](#), mobilised up to 60,000 people for peace this year.

Schools in 12 countries including Pakistan, Palestine, Lebanon, Mexico and Ukraine took part in the Global Truce 2012.

We hope you take a minute to explore the inspiring pictures of students in action from around the world.
